- increased efficiency and reliability
- and, **COST SAVINGS?**

Then make the Smart Move to **Lightyear SmartStreamSM** and receive a **\$PECIAL OFFER**

If you're ready to move your business communications to a new level of speed, flexibility, and reliability, it's time to make the Smart Move to **Lightyear SmartStream**.

Lightyear SmartStream is a bundled package of data, Internet, and voice services integrated through a hyper-efficient T1 line. With this limited offer, you get all of the services and increased capacity of **Lightyear SmartStream** PLUS additional long distance minutes included in one package!

Includes **5,000**
Long distance minutes/month

Includes **10,000**
Long distance minutes/month
must bill a minimum of 25,000 minutes/month

Offer valid with a two-year term commitment. Long distance does not include Offshore or International calls. Billing for long distance is in 6 second increments. This special offer is valid for a limited time only and is subject to change at the discretion of Lightyear Communications, Inc.

To qualify for the 10,000 minute special offer, you must bill at least 25,000 minutes of Interstate long distance service per location per month, complete and sign the validation form, and fax a copy of a recent invoice (past 3 months) of your long distance services to Lightyear. Your Lightyear bill will be reviewed quarterly to ensure that you maintain an average within 20% of the 25,000 minutes target. If you dip below this threshold for longer than a quarter, then you will automatically be returned to the standard 2,000 included minutes for all billing going forward.
