

Connect to tomorrow's
business landscape with
Lightyear SmartStreamSM

If you're ready to move your business communications to a new level of speed, flexibility, and reliability, it's time to make the Smart Move to **Lightyear SmartStream**.

Lightyear SmartStream is a bundled package of data, Internet, and voice services integrated through a hyper-efficient T1 line. Never has your business communications moved so quickly and never have your costs been so affordable.

With the Vendor Credit Promotion, you get all of the services and increased capacity of **Lightyear SmartStream** PLUS a **\$500** credit to use towards any expenses associated with changing carriers.
